EXPERIENCE

Research Internship

Machine Learning Research Intern

June 2025 – July 2025

SRM University AP

- Developed an end-to-end ML pipeline to predict CKD from clinical datasets using supervised learning.
- Performed feature engineering, model training, and evaluation using Decision Tree and Naive Bayes.
- Improved classification performance by **10%** through feature optimization and model evaluation.

PROJECTS

FlowForge: Enterprise Workflow Automation Platform | GitHub

2026

- Designed a configurable enterprise workflow platform supporting multi-stage approval pipelines.
- Implemented secure multi-tenant architecture using Spring Security, RBAC, JWT authentication, and audit logging.
- Powered by Spring Boot, PostgreSQL, Redis, Apache Kafka, and Next.js.

ScriptVision: AI Cinematic Breakdown Tool | GitHub | Live Demo

2026

- Designed an AI-powered document processing platform for structured cinematic screenplay analysis.
- Implemented automated screenplay parsing, scene extraction, and AI-assisted storyboard generation.
- Implemented using React, Node.js, Express.js, MongoDB, Groq LLM, and Hugging Face.

MemoryOS: Digital Memory Reconstruction System | GitHub

2026

- Designed an intelligent knowledge platform for contextual memory reconstruction.
- Implemented hybrid retrieval by combining vector embeddings with Neo4j knowledge graphs for semantic search.
- Developed with FastAPI, PostgreSQL, Redis, Docker, Celery, ChromaDB, and Neo4j.

EDUCATION

SRM University, Andhra Pradesh

B.Tech in Computer Science and Engineering (AI & ML)

2023 – 2027

- CGPA: 8.25

SKILLS

Languages: Java, Python, JavaScript, C++, C

Frontend: React.js, HTML, CSS, Bootstrap

Backend: Spring Boot, Node.js, Express.js, REST APIs, Distributed Systems, JWT Authentication

Databases: SQL (PostgreSQL, MySQL), MongoDB, Redis

Core CS: Data Structures & Algorithms, DBMS, Operating Systems, Computer Networks, OOP

Tools: Git, GitHub, Docker, Postman, Apache Kafka

CERTIFICATIONS

Oracle Certified Professional Java SE 17 Developer

MongoDB Certified Associate Developer
